NEW BUSINESS

1. Fourth of July – Location of events and Parade Route

Brian Graves, CAC Chairman, said the CAC is recommending that the Parade Route stay on Cleveland. The car show would be reduced in number and be around Centennial Park with vendors on the side streets north and south of Cleveland and in vacant lots. They would like Cleveland closed for the entire day.

Trustee Singewald suggested moving the street closure to east of first street once the parade is finished. Mr. Graves said that is a possibility.

Trustee Sattler asked if this plan satisfied the public who were against the changes proposed at the last meeting. Tim La Greca said this way works. There was discussion about the car show.

Mr. Graves said there were a lot of people at the meeting last night with good ideas. He said we also got some new volunteers.

Trustee Harless asked how late they wanted to keep Cleveland closed. Mr. Graves said probably around 6:00 pm.

No action was taken.

TRUSTEE SINGEWALD MOVED AND TRUSTEE SATTLER SECONDED to adjourn the meeting. Roll call was taken and the motion passed unanimously. Meeting adjourned at 6:12 pm.

Respectfully Submitted:

Cynthia Sullivan, CMC
Deputy Town Clerk
