Are there any hazardous materials (covered by the most currently adopted fire code) involved in any way with this application?

YES NO

If Yes, please provide a list with quantities.

I hereby state that the above information is correct. I recognize that the approval of plans and specifications does not permit the violation of the building codes, fire codes, city/town/county ordinances, or state law. I consent to provide entry to inspectors during normal business hours and the request inspections as needed. I consent to pay the Fire Protection District plan review fees and permit fees pursuant to Section 32-1-1002 (1)(e)(II), C.R.S. as amended, and any re-inspection fees that may be required. The PERMIT is valid for the above-mentioned address only, for the permit period specified, and is not transferable.
