E. ACTION ITEMS

1. Annexation Agreement for Country Lane Acres Annexation

Mr. Bird reviewed historical information and unique components of the Country Lane Acres Annexation agreement. Country Lane Acres consists of approximately 35 acres and is located south of G.W. Bish and east of I-25. The property is identified on the Future Land Use Map as "Low Density Residential." The concept plan for development of the property contemplates approximately 41 single-family detached dwellings on lots 1/2 acre or larger.

Concerns regarding the developer bearing the costs of a metropolitan district in the agreement was resolved by amending the language to reflect that the developer will bear the costs if the developer requests a metropolitan district.

The meeting was opened for public comment which there was none.

Trustee Gaiter moved to approve Annexation Agreement for Country Lane Acres Annexation with the provision that language in item 14 Districts be changed to reflect that where it says owner shall bear all costs including attorney fees which the town may incur in the formation or consideration of any district that that language reflects that, if that is only the case if that request comes from the owner; Trustee Macdonald seconded the motion. Roll call on the vote resulted as follows:

Yeas – Gaiter, Macdonald, Kinney, Hamman

Nays – None
Motion carried.

2. Resolution No. 31-2021 - A Resolution Establishing Non-Residential Water Charges for Wellington Water Enterprise Water Utility Use

Ms. Garcia addressed the Board and commented that Wellington is in the process of expanding their water treatment plant and wastewater treatment plant. In order to pay for the expansion of the water treatment plant the Board of Trustees approved an increase in residential base rates to \$66 and tiers were increased to \$4.56 for the first 15,000 gallons of water, \$5.70 for over 15,000 and \$7.72 for over 30,000 gallons. At this time, there have been no increases to non-residential rates. The Town currently has 137 non-residential accounts; 101 have ¾” meters, 25 have 1” meters, 4 have 1.5” meters and there are 7-2” meters. Commercial users consume 12% of the total water consumption and contribute 10% of the total billed revenues. On August 17, 2021 the Trustees received a presentation outlining options for increases to those rates to bring them in line with the current residential base rate of \$66. There are currently no tiers for non-residential customers.

Four rate options were provided to non-residential account holders. Letters to all non- residential users were mailed out in September with responses or questions requested to be provided to the town administrator no later than October 18, 2021. One response was received from a business requesting that if increased rates were to be adopted that inactive taps not be included with increased base rates.

After discussion of the Board, the general consensus of the Board was to table Resolution 31-2021.

Trustee Macdonald moved to table Resolution 31-2020, A Resolution Establishing Non-Residential Water Charges for Wellington Water Enterprise Water Utility Use until the next regular Board of Trustees meeting; Trustee Gaiter seconded the motion. Roll call on the vote resulted as follows:

Yeas – Gaiter, Macdonald, Hamman

Nays – Kinney

Motion carried.

3. Wellington Main Street Sign and Awning Grant Program - Request to Waive Planning Department Fees

Ms. Garcia informed the Board that as an economic incentive, the Wellington Main Street Program has developed a grant fund to assist with the purchase of new signs and awnings installed on downtown buildings. The Wellington Main Street Program is offering a 50/50 match grant up to \$1,000 per project towards the purchase of new signs and awnings for commercial properties in downtown Wellington (\$2,000 if the sign is for a multi-tenant building). This grant will be ongoing with funding being provided through Main Street into 2022. Currently there is \$12,000 dedicated to this grant fund with two applications received at the Main Street October 2021 meeting.

The Planning Department fees that are being requested to be waived for each applicant are as follows:

- Permit Issuance \$25
- Sign Permit \$30

The goal is for staff to waive these fees administratively for this program; updates as to how many businesses take advantage of this grant program would be provided in the weekly update.

It was requested by the Trustees to receive information on the specific building codes related to

engineered drawings for blade signs and for staff to look at the possibility of waiving the same fees for businesses that are not in the Main Street area.

The meeting was opened for public comment to which there was none.

Trustee Macdonald moved to approve the Wellington Main Street Sign and Awning Grant Program Request to Waive Planning Department Fees; Trustee Gaiter seconded the motion. Roll call on the vote resulted as follows:

Board of Trustees Meeting

Date: November 23, 2021
Submitted By: Krystal Eucker, Town Clerk
Subject: Ordinance No. 15-2021 - An Ordinance Repealing Occupation Tax in the Town of Wellington

- **Presentation:** Krystal Eucker, Town Clerk

EXECUTIVE SUMMARY

BACKGROUND / DISCUSSION

Ordinance 04-1970 assessed an annual occupation tax upon businesses that manufacture or sell malt, vinous or spirituous liquors in the Town. Businesses in Town that do not sell malt, vinous or spiritous liquor are not subject to the occupation tax. The occupation tax is an annual tax due on January 1st of every year and generates annual revenue of \$4,500. The occupation tax amounts set for the liquor license types are as follows:

- Fermented malt beverages - \$300.00.
- Retail liquor store license - \$300.00.
- Liquor license drug store - \$300.00.
- Beer and wine license - \$300.00.
- Hotel and restaurant liquor license - \$1,000.00.
- Extended hours hotel and restaurant license - \$150.00.
- Club license, the sum of \$1,000.00

Below are the number of liquor licenses in Town:

- Liquor Store - 2
- Hotel and Restaurant - 3
- Fermented Malt Beverage - 2
- Beer and Wine - 1

In an effort to assist small businesses that may have been struggling do to the COVID-19 pandemic, the Board of Trustees approved Resolution 48-2020 on December 22, 2020 which waived the occupation tax for the year 2021. During the December 22, 2020 meeting, there were comments related to eliminating the occupation tax. Eliminating the occupation tax for liquor licenses could attract new businesses and retain current businesses due to lower operating fees.

If the Board of Trustees chooses to repeal the occupation tax, that tax may not be reinstated without putting the question to the voters.

STAFF RECOMMENDATION

Staff recommends approval of Ordinance No. 15-2021.
